isthatsilva@gmail.com

Enthusiastic junior Full-Stack Web Developer with a military background that is seeking to further my skills as a Web Developer. With the studies of computer science and a coding bootcamp, I am ready to utilize my expertise in web development and be a part of the success of a progressive company.

EXPERIENCE

United States Army, Fort Benning, GA — Parachute Rigger (MOS-92R)

2017 - 2019

Directly responsible for the inventory, cleaning, receiving, storing, and issuing of all airdrop equipment used in daily operations. Inspect all parts and labor to determine if the parachute is defective, can be fixed, or not. Able to pack personal and cargo parachutes. Also specialized in weapons training.

G2 Secure Staff, Atlanta, GA — Bag Runner

September 2019 - December 2019

Responsible for organizing luggages for incoming travelers, storing lost luggages, and helping direct travelers to the right gates for their flight. Also assisted in training new employees with procedures and techniques.

EDUCATION

Clayton State University, Morrow, GA — Bachelor of Science in Computer Science, GPA 3.8

May 2020 - Expected 2024

Georgia Institute of Technology, Atlanta, GA — Certificate in Full-Stack Web Development

Expected February 2023
